## About Nilkantha Multiple Campus

Nilkantha Multiple Campus (NMC) is a community-based Higher Education Institution (HEI) that has been imparting quality education in affordable fee structure on various subjects from three different faculties. It has currently six different programs including a technical program, Bachelor in Information and Communication Technology Education (BICTE) where around one thousand students are enriching educationally in their home town. Each year about 100 graduates, from both bachelor and master degree, have been produced by this campus. It is marching ahead for excellence. NMC is the first campus of Dhading affiliated to Tribhuvan University. Due to its consistent efforts, it has ensured quality education in this competitive era. As a result, it has been awarded Quality Assurance and Accreditation (QAA) certificate by University Grants Commission (UGC) Nepal in 2020. It strongly believes in the role of faculties to upgrade institution where intellectual discourses and research based discussions take place. Faculties conduct researches on the issues of contents, pedagogy and job market to back for the improvement of their performance ensuring qualified graduates so that they can contribute a lot for the transformation of society. It has set conducive learning environment in which students get benefitted from resourceful library, well managed laboratory and professional mentors. Faculties use latest teaching methods like flipped classroom through the use of Learning Management System (LMS) and Microsoft Teams (MS Teams) to empower students in techno-friendly way. Moreover, it has been striving to strengthen its institutional capacity through empowering human resources, offering demand-based programs, and linking cordial relation with community aiming to develop it as a research based, reliable and dynamic institution. The main goal of this campus is to produce capable human resources addressing the needs of community and enabling them to compete globally.

NMC equally focuses on extra-curricular and co-curricular activities for the all-round development of students in which their leading role and participation is practiced. NMC offers waiver on fees so that needy students get enrolled for their graduation. Undoubtedly, it contributes to set inclusive, justifiable and equitable society where adhering female, dalit and disadvantaged students' easy access. In overall, NMC is producing and disseminating knowledge for advancing society.

### Vision

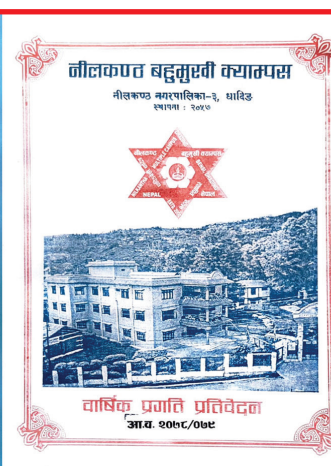

To establish NMC as a leading research based higher education institution of the country providing demand-based and market driven academic programs.

### Mission

NMC aims to provide quality higher education as per need and demand of the society maintaining accredited status. It also aims to produce and disseminate knowledge through modern methods of teaching, learning and research for betterment of individual & society as a whole.

### Goals

- ➡ To increase inclusive, justifiable and quality education
- ➡ To maximize library resources and promote digitization
- ➡ To strengthen research, development, innovation and community linkage
- ➡ To increase access in higher education and students' well being of female, marginalized, dalit and disadvantaged section of the society
- ➡ To enhance faculty/staff development and leadership
- ➡ To foster eco-friendly environment and social safeguard
- ➡ To strengthen institutional development, good governance and program extension
- ➡ To develop infrastructure and strengthen physical resource management
- ➡ To sustain the campus financially

## Message from the Chariperson

Nilkantha Multiple Campus (NMC) is a community-based higher education institution that has been contributing in higher education sector producing competitive men power instilling humanity and responsibility since its inception in affordable fee structure. NMC, as the oldest campus of Dhading, has been recognized as one and only the QAA certified campus in the district. NMC promotes. highly conducive environment in the presence of experienced, professional and dedicated faculties along with responsible staff where students from diverse backgrounds and status flourish their potentialities in the fullest manner. We have offered six different market driven courses supplemented with soft skill courses adopting learner oriented pedagogies. It strongly believes in students' power of questioning as it enhances them to become researchers and transformers not the followers.

Our teaching and learning programs are backed by resourceful library, technological labs and practical applications. We are committed to develop it as an educational hub where researching and teaching will be the major aspects adhering paradigm shift in educational system. NMC welcomes to our valuable students in this campus for their all-round development and appreciate constructive suggestions and meaningful involvement from our guardians, alumni, stakeholders and well-wishers.

- Jaya Nilkantha !

## Message from the Campus Chief

Nabaraj Sharma

Nilkantha multiple campus is a leading higher education institution in Dhading district which has been imparting quality higher education for more than two decades. It has envisioned to stand as a leading research based higher education institution of the country to provide demand-based academic programs. It aims to increase access of marginalized and disadvantaged section of the society to quality higher education. We focus on introducing demand-based market driven programs and empowering students with other supplementary skills so their employability could be enhanced.

The campus only focuses on regular academic programs but also focuses on all round development of the students.

We have proved that we do not compromise in quality being accredited by UGC. On the other hand, quality is moving target so NMC is continuously working to improve overall quality of the institution to address the needs of society. As we believe that higher education institution should be engaged in knowledge creation and dissemination. The campus has also given priority to research activities, innovations and integrating research and teaching along with regular teaching learning activities.

I would like to request all the career seekers to be a part of this prestigious higher education institution as students.

## Students' View

I would like to define my experience of studying in NMC as unique approach to my life. The guidance that I received here through the mentors, administrators, teachers, seniors and juniors has really shaped my knowledge from all round perspectives. It's fertile land of academics had offered an essentials atmosphere to flourish my potentiality of learning. The exposures received here through its good management, experts and various facilities are the essentials for directing towards purposeful life believing in 'Don't count the days, but make the days count. So, I would like to ensure new comers that NMC is the platform where you can explore your true potential and brighten up your future.

Namaste! I am Rajani Shrestha Rijal. I have completed my Bachelors of Arts in 2020 A.D from Nilkantha Multiple Campus. First of all, I would like to express my gratitude towards my teachers for being very supportive and friendly throughout my study. I had a great journey with Nilkantha Multiple Campus (NMC). Teaching and non-teaching staffs here in NMC are very helpful. I would strongly recommend you to join NMC so that you might get an opportunity to have better knowledge of what you study by one-to-one guidance of your teachers. The individual attention paid to each student is hard to get in any other colleges. They provide you the best guidance and support you need to complete your studies and assignments. From my experience of three years in NMC, I have become more self-relevant and independent to complete my each and every task. They motivate you and give you the push you need to get the best out of yourself. Thank you to my teachers who helped me to achieve my goals.

Studying at NMC is one of the glories in my life. I got an opportunity to learn a way of living along with acquiring the respective knowledge in the field of my interest. My enthusiasm, thirst of knowledge and spirit of learning have always been enhanced by it. NMC assisted me to explore my potentials in academic sector. I was convinced that I had to precede my life being an expert in managerial aspect of business world. Faculties at NMC are highly professional. Regular evaluation, assignment, quality education with affordable fee, social, ethical and moral values, homely environment, highly qualified, experienced and enthusiastic academic professionals, good management as well as extra-curricular activities for mental, physical and psychological fitness are my experiences at NMC. So, NMC is the best place to expose and extend the knowledge in the field of interest.
