Message from the Chairperson

Located in the heart of Dhading District as well as Nilkantha Municipality -3, Nilkantha Multiple Campus (NMC) is a community based higher educational institution affiliated to Tribhuvan University. Because of its relentless efforts in imparting quality education to its graduates since its establishment, it has been acclaimed as a leading higher educational organization in the district. It runs classes upto Master's Level in Education and Management as well as Bachelor Level in Education, Humanities and Management. It is the only campus in the district that runs Master's Degree program. It adopts innovative ways for teaching-learning activities. It imparts quality education based on the curriculum guided by the university. It is continuously striving the efforts to obtain academic excellence.

Ramnath Adhikari
Chairperson

It has graduated more than 1000 students in Bachelor and Master Levels. The majority of the graduates from this campus have been engaged in different institutions at local, national and international levels. NMC has its Campus Assembly as a legislative body comprising of members from different fields such as educationists, businesspersons, social workers, donors, statepersons, student representative, alumni association and representatives of different social organizations. It has its management committee as an executive body which is authorized for the implementation of policies and strategies formulated by Campus Assembly in order to achieve its objectives and goals. NMC has been focusing on imparting quality education since its establishment and it is understood that quality assurance is the regular process. The campus has taken initiation for QAA process during Second Higher Education Project (SHEP) and has submitted Self Study Report (SSR) to UGC for accreditation process.

Message from the Campus Chief

I am greatly pleased to share my visions to all students and concerned people that Nilkantha Multiple Campus (NMC) is the established academic institution and the oldest campus in Dhading district. It has its own philosophy, vision, mission and goal. It has been offering various programs like M.Ed, M.B.S. in semester system, B.Ed, B.A and B.B.S. in various subjects. It is planning to run B.B.A and B.Sc. in the near future under Tribhuvan University. Realizing this fact, we have tried our best to provide quality education in reasonable and affordable fee structure with the facility of various scholarship schemes for the genius students, Dalits, Janjatis, Women and the students with poor economic condition, etc. We hope that students will feel cosy and supportive academic environment.

Nabaraj Sharma
Campus Chief

NMC has its own glory and history regarding academic achievement. We proudly say that we are ahead among all campuses regarding the co-curricular activities, extra curricular activities, and teaching learning activities. I believe that this highly prestigious institution has been playing a vital role to produce skilled manpower in the arena of education, business management and humanities for the overall development of the nation, who can compete in national as well as international market. Moreover, we are in the process of QAA (Quality Assurance Accreditation). Therefore, I would like to welcome all of you to this beautiful, peaceful and holy institute where you will take your inner potentials and learn skill and knowledge to solve with the problems in your daily lives. May your dreams come true after being part of Nilkantha Multiple Campus !

Message from Faculties & Departments

The campus had begun its journey from 2057 B.S. with the approval of Education faculty in various subjects like English, Maths, Nepali, Population, Economics and Health. Now it has been a renowned leading campus in Dhading. The products of this campus have been able to appoint at governmental services in large scale. It is conscious for fulfilling the responsibilities of producing dynamic & competitive citizens, who compete at national and international level. No doubt, it has assured quality education.

Badri Prasad Koirala
Faculty Head, Education

Gokul Ruwali
Faculty Head, Management

In this area of liberal commercialization, the knowledge of management has been an important part of pursuing career and emerging as an business professional. As the presence of globalization and newly developed technologies in commercialization, the Management Faculty of NMC has been imparting quality and practical education to cater employment opportunities in different financial organizations. We welcome students in this stream to seek their goal in future.

We have been running Humanities and Social Sciences (B.A.) program since last five years. The faculty has high scope to produce qualified manpower supplying in different sectors. This faculty has been teaching the subjects like language, sociology, and Journalism. Therefore, we would like to welcome all the students in this faculty for their bright future.

Dr. Murari Adhikari
Faculty Head, Humanities

Yuba Raj Subedi
Coordinator, M.Ed.

We started M.Ed. program from 2066 B.S. in English and Curriculum and Evaluation as it is the first and only campus running Master's degree program in Dhading. Now, we have started semester program in Nepali and English Education. The overall objective of M.Ed. program is to produce higher level academic manpower with qualified and competent teachers, teacher educators efficient educational planners to develop national as well as international human resources. The methods we have been applying in teaching M.Ed. program are the class lectures, group discussion, demonstration, guest lecture, seminars, term paper presentation, case analysis, problem solving, sharing practical experience and field work to develop abilities for self learning and critical thinking. Therefore, we heartily welcome you to grab the opportunity for academic excellence.

Welcome to Nilkantha Multiple Campus, Dhading. Master in Business Studies (MBS) programme, has developed business related competent, human resources who are well educated, highly skilled and trained, capable to accept growing challenges of ever increasing competitiveness of job environment. Undoubtedly, we have good facilities better teaching learning environment, research works, job placement and the best team of facilities for management but it is also our students' hardwork, dedication & their bright achievement which proved crucial for us to stand ahead of others in the academia & also provide getting job opportunities in local, regional & national financial institutions.

Bishnu Maya Baral
Co-ordinator M.B.S.

Dilip Adhikari
HOD, Nepali

बहुभाषी, बहुसांस्कृतिक, बहुधार्मिक मुलुक नेपालको मातृभाषा र सम्पर्क भाषाको दृष्टिले नेपाली नै सबैभन्दा समृद्ध भाषा बन्न पुगेको वर्तमान परिप्रेक्ष्यमा नेपाली भाषाको अध्ययनको उपादेयता गहन छ। ज्ञानविज्ञानको क्षेत्रमा अनुसन्धान गर्ने प्रभावकारी सामाजिक भूमिका निर्वाह गर्न, स्तरीय र शिष्ट अभिव्यक्ति क्षमता बृद्धि गर्न भाषालाई परिष्कृत र परिमार्जन गर्न, राष्ट्रिय संस्कृतिको जगेना गर्न र राष्ट्रिय एकताको भाव विस्तार गर्न, सरकारी कामकाज तथा आम सञ्चारको भाषाको रुपमा प्रयोग गर्न नेपाली भाषाको ज्ञान हुनु नितान्त आवश्यक छ। नेपालको शिक्षा प्रणालीको सन्दर्भमा विभिन्न विषयहरूको माध्यम भाषा नै नेपाली भएको अनि पूर्व प्राथमिक तहदेखि स्नातकोत्तर तहसम्म नेपाली विषयलाई अध्ययन, अध्यापन गरिदै आएको हुँदा कुशल शिक्षक तथा विशेषज्ञ बन्नका लागि नेपाली विषय अध्ययन गरी रोजगारी प्राप्त गर्न तथा विभिन्न लेख रचना प्रकाशन गरी स्वरोजगार बन्न मूल विषयका रुपमा नेपाली विषय लिई नीलकण्ठ बहुमुखी क्याम्पसमा अध्ययन गर्न सम्पूर्ण विद्यार्थीहरूलाई अनुरोध गर्दछु।

Economics is the tool to study different economic activities and conditions of individual as well as the nation. Thus, all the individuals, students, politicians, and beurocrates need to study economics. In order to empower and enhance the capacity of the student, the department has initiated various skill oriented training & industrial exposure visits. Job placement is one of the priorities of this department for diligent and poor students. Separate & special scholarship will be arranged and initiated for prospective diligent and poor students. The human resources of this subject are in high demand in various sectors such as teaching, bank & financial institutions, NGOS, INGOS, private, government & international market. Therefore all prospective students are appealed to get admission in the campus in department of Economics to secure your bright future.

Rajkumar Rai
HOD, Economics

Message from Faculties

English undoubtedly has been the language of world people. The uses of English is increasing worldwide. The emergence of New Englishes marks the importance of it in the use of science, technology, sports, business, literature, pedagogy and so on. NMC has been the centre of learning English for business, pedagogy and social sciences. We offer B.Ed., BBS, B.A, M.Ed, MBS, where English is taught either as compulsory or major subject. For better opportunity in career, English has been an indispensable medium. Thus, promoting English for each individual in this competitive era is necessary. NMC provides its scholars the ground for growing their potential in English.

Devi P. Adhikari
HOD, English

Khil P. Basaula
HOD, Population

NMC, since its inception, has played a crucial and pivotal role in the production of nationally & internationally competitive human resources by our Population Education Department. In the present context, this population Education Department of Nilkantha Multiple campus has been catering to the needs of production of school level subject teachers, quality research oriented resources, skills to combat the existing challenges and problems of daily life & mitigate the gender based discrimination in present society.

The department of Maths Education, committed to excellence in teaching, service & innovative research, provides a student centred program that equips the students with the mathematical skills to solve problems within the field of mathematics & other related disciplines.

Mathematics is one of the well developed disciplines of all sciences. It plays an important role in the development of all social science. The department of Maths Education provides guidance for academic programs & other services such as quality enhancement of campus for the students. The department offers Bachelor Degree in mathematics education.

Hari Lamsal
HOD, Maths

Nabaraj Sapkota
HOD, Sociology

As sociology has been introduced in university course due to its advance scope in social dynamism, sociological research & theories, NMC has been imparting it to its students in Bachelor level. We welcome learners in this field where abundant chances of being world citizen, getting scope in governmental, non-governmental, agencies, politics, research etc are available. It is the effective way to overview the society in local & global levels.

Students' View

नीलकण्ठ बहुमुखी क्याम्पस जिल्लाकै एक उत्कृष्ट नमूना क्याम्पस हो। भौतिक सुविधा सम्पन्न कक्षाकोठा, शान्त वातावरण, पुस्तकालयको व्यवस्था तथा अत्यधिक मल्टिमिडियाको प्रयोग गरी दक्ष एवम् अनुभवी प्राध्यापकहरू द्वारा अध्यापन गराउनु यस क्याम्पसको विशेषता हो। यस क्याम्पस बजार क्षेत्रमा मात्र सीमित नभएर ग्रामीण क्षेत्रका विद्यार्थीहरूलाई उच्च शिक्षाको धारमा समावेश गराउनु सफल भएको छ। हामीजस्ता ग्रामीण क्षेत्रका निम्न आयस्तर भएका विद्यार्थीहरूलाई सही मार्ग निर्देशन गर्ने यस क्याम्पसले बिगतदेखि वर्तमानसम्म अनगिन्ति स्थानीय तथा राष्ट्रिय स्तरका महत्वपूर्ण जनशक्ति उत्पादन गरिसकेको छ।

म पनि यस क्याम्पसले उत्पादन गरेको विद्यार्थी हुँ। यस क्याम्पसबाट स्नातक तह उत्तीर्ण गरेपछि मैले अध्ययन कार्य सुरु गरेकी हुँ। यसै क्याम्पसबाट स्नातकोत्तर उत्तीर्ण लगत्तै १०+२ पनि अध्यापन गराउने सु-अवसर प्राप्त गरेँ। यी सम्पूर्ण अवसरको श्रेय नीलकण्ठ बहुमुखी क्याम्पसलाई जान्छ। अर्को पनि मैले निरन्तर रूपमा क्याम्पसका श्रेष्ठ प्राध्यापक गुरुहरूबाट प्रेरणा प्राप्त गरेकी छु। केही गर्नुपर्छ भन्ने अभिलाशा बृद्धि भएको छ।

B.Ed. Topper

I feel really glad to express my achievement and the great contribution of this campus, to all my subject teachers and my guardians without whom I would remain unmanaged. I found all the faculties a source of great inspiration. From the bottom of my heart, I thank to the entire team for the conducive environment that I got. This campus has always created an incredible platform for teaching, learning, motivation and encouragement for students. The credit goes to this campus and all my subject teachers for providing me an ample opportunity to learn to remain interactive and to secure good results. I wish our campus gets more determined to offer quality education to the new upcoming batches. Really I feel proud to be a student of NMC as my name is connected with this campus.

Studying at NMC is one of the glories in my life. I got an opportunity to learn a way of living along with acquiring the respective knowledge in the field of my interest. My enthusiasm, thirst of knowledge and spirit of learning have always been enhanced by it. NMC assisted me to explore my potentials both in academic as well as political sectors. I was convinced that I had to precede my life being an expert in managerial aspect of business world. So, I determined to choose management stream and joined NMC. Teaching and learning in this institution is student centered. I find NMC, the best destination to forward the mission of my life. Different programs of both Bachelor's and Master's levels in different faculties at NMC are highly professional. Regular evaluation, assignment, quality education with affordable fee, social, ethical and moral values, homely environment, highly qualified, experienced and enthusiastic academic professionals, good management as well as extra-curricular activities for mental, physical and psychological fitness are my experiences at NMC. So, NMC is the best place to expose and extend the knowledge in the field of your interest. Finally I would like to congratulate to all the students who have joined NMC seeking bright future in their life.

Nilkantha campus has surpassed my expectations where the facilities, academic support and surrounding area of NMC gave me the skills and knowledge to go on and have a long and successful career. The educational environment and general atmosphere make NMC a great place to be success in academic achievement.
